## Facilities

The facilities that you enter here relate to the whole property. More detailed facilities can be entered at a room / unit level. These facilities should be accurate, and not contradictory, and should allow the visitor to picture what your premises offers.

To enter facilities go to:

You can enter both a Facilities Image and Facilities Text to enhance your entry further. Details of how to do this can be found in the Images section.

The other sections consist of check boxes from which you can choose the facilities applicable to the accommodation.

You can either click on each section to open that section individually or to open all sections, click on view all at the top of the screen.
