

# TISCOVER Extranet User Guide For Self Catering Accommodation Providers

## Type of Board

## Type of Board

The type of board section allows you to elaborate on the food and drink facilities that you offer in your establishment.

For Self-Catering properties you can use this section to outline the eating out facilities in the area around your property. If you offer a welcome pack then you can also outline the details of this service in this section.

To add details relating to the type of board, go to:

### Data

#### Master Data Type of Board

The Catering Image and Catering Text are added in the same way as described previously.

The image that is loaded into the extranet will show on the website as shown below

Below the image you have the ability to add text. This is split into 2 sections, Teaser and Text.

 **Catering Text**

Teaser (Maximum Length: 150)

Enjoy a relaxing meal in the Arts restaurant

Text (Maximum Length: 800)

which serves contemporary bistro food in stylish surroundings. Afterwards enjoy a drink in the elegant lounge or friendly atmosphere of the bar.

The maximum length of characters for the Teaser is 150, and this text will appear in bold on the website, as a heading. The Text section allows a maximum of 800 characters and will appear in normal text, an example is shown below:

### **Enjoy a relaxing meal in the Arts restaurant**

which serves contemporary bistro food in stylish surroundings. Afterwards enjoy a drink in the elegant lounge or friendly atmosphere of the bar. For a lighter meal option, room service is available 24 hours a day.

All the other sections consist of check boxes from which you can choose the catering facilities applicable to the accommodation.
