

### *Beauty, History and Magic*

Regarded as one of Scotland's most beautiful natural woodlands, Kelburn glen's network of paths and bridges lead you up past waterfalls and gorges to spectacular views of Arran and the Islands. Kelburn has long been a paradise and inspiration for adults and children. An unspoiled haven of beauty and magic, full of natural, historic, creative gems and surprises waiting to be explored.

Set in 3500 acres of stunning west coast countryside, with parts dating back to the 13<sup>th</sup> century, Kelburn is believed to be the oldest castle in Scotland to have been continuously inhabited by the same family. With an eccentric and homely blend of styles and periods, from the elegant 1700 Drawing Room to sunset island views from the Arts and Crafts Victorian Dining Room and its original William Morris wallpaper, Kelburn Castle is the perfect backdrop to make your event a memorable one.

The stunningly beautiful estate, with its world famous Brazilian Graffiti Project, adorning the Castle walls, makes an ideal backdrop for wedding photos too.

For many getting married in a Castle satisfies a childhood dream of being a princess for a day. Kelburn offers fabulous backdrops, both inside and out, to frame your perfect day. From turrets to keeps, the architecture and history we can transport you back to a bygone era in an instant.

We pride ourselves on our high standards of professionalism, efficiency and personalised service. We aim to be flexible and endeavour to cater to your every requirement.

The possibilities are endless and Kelburn is a place where dreams can come true.

### *Planning your Day*

With her extensive experience Events Manager and Wedding Co-ordinator, Hilary and her team offer you individual care and attention to detail. Flexibility is the order of the day and there are no set packages; every wedding is organised to suit the requirements of the couple. The castle has extensive contacts from local singers to firework displays; you can be assured a very memorable day!

### *The Ceremony*

Kelburn Castle and the Estate has the appropriate licence to host civil marriages and is firmly established as one of the foremost venues for the celebration of marriage on the West Coast of Scotland. We are delighted to be able to hold civil ceremonies in 6 areas which include: The Castle Dining Room and Drawing Room, The Pleasance (Walled Garden), the Waterfall Pool (Max. 10 guests), the Castle View Point and the Pavilion. All of which are very unique and stunning in their own individual way.

We also often host very quiet weddings at the castle itself with just the couple present and witnesses can be provided if required. It suits some couples to 'slip away' to the tranquillity of Kelburn and marry quietly, enjoy a bottle of champagne by the fire and perhaps use the services of a local guide to capture further photo opportunities in the area and then have a celebration party with friends and family at a later date.
