Edinburgh Castle
Edinburgh Castle is Scotland’s symbol of power, protection and majesty. It stands high on an extinct volcano with panoramic views of one of Europe’s finest capital cities.

The castle guards the Scottish Crown Jewels and the Stone of Destiny. The many other attractions include the Canongate Kirk, Plaidy Agreement, Scottish National War Memorial and three military museums. The Princes’ Stair is a Renaissance-style 15th-century tower added to the castle by James IV.
