"very enjoyable" "awesome" "fantastic"

Set in the stunning parkland of Kirknewton Estate, MadMax is an outdoor activity centre specialising in single activity sessions or multi activity days.

MadMax facilities include a purpose built clay shooting ground, high ropes course, 4x4 track, archery range and quad trail, all within close proximity of each other. Serviced by a central Hub with changing rooms and reception, MadMax is without doubt the multi activity centre par excellence!

1 Multi Activity Days

If you have a group of eight or more then you can build a multi activity day taking part in two or more activities choosing from:

- > Quad Bike Safari
- > 4x4 Off-road Driving
- > Clay Pigeon Shooting
- > Field Archery

Group sessions will last between 2 and 3 hours depending on the number of activities.

2 Corporate Team Building Days

MadMax is operated by Maximillion, one of the UK's most well established team building firms*. If you'd like to use MadMax for a company away day, then call for a bespoke package.

*Eventia Best UK Team Building Company of The Year 2007 & 2008

"The day was exhilarating and adrenaline filled. Set in a picturesque location with so many events to offer, I had a thoroughly fantastic day at MadMax" *Chillisauce*

3 Public Open Days

Open Days are scheduled for selected weekends and advertised in advance on our web site. Groups smaller than eight can take part in one or more activities with each activity lasting approximately 60 minutes.

What's included?

Your MadMax session and price will include:

- > Helmets and safety gear as required
- > Wet proof jackets and trousers
- > All the kit you need to take part
- > Qualified instruction and supervision
- > Scores, results and winners medals
- > Coffee & tea
- > Public liability insurance

Lunch and snacks are available by prior arrangement at an extra charge. Prices available on request.

Activities

4x4 Off-road Driving

Our 4x4 track is designed to introduce drivers to the skill of negotiating a variety of terrains including steep ascents, descents and traverses. Mud holes and river rides make this track a must for aspiring off-roaders.

Clay Pigeon Shooting

Our purpose built Clay Shooting ground incorporates four professionally built "butts" offering incoming, driven or crossing birds. Hitting your clay and seeing it "burst" in the sky guarantees a real buzz!

Field Archery

The Archery Range is built to a high spec offering a variety of targets and distances encouraging natural progression and achievement. Hugely satisfying skill to develop with a "thwack" of the arrow hitting the bull.

Quad Safari

Using a fleet of modern Yamaha Grizzly quads, these bikes are easily mastered and great fun. You will go on Safari following the instructor exploring the park and woodland with a wide variety of obstacles to cross.

High Ropes Course

The MadMax high ropes course can be used as a single activity session or as part of a MAD (multi activity day) session. Crate climb, leap of faith, Jacob's ladder and death slide will all get the adrenaline pumping.

Highland Games

Choose Highland Games as a stand alone half day event or as part of a MAD session. Lots of fun events with cabre toss, putt the stane, haggis hurling, farmer's dash, whisky tasting and much more!

How much is MadMax?

All prices and packages can be found online. Alternatively, just phone or email for a current price list or quote.

How do I book?

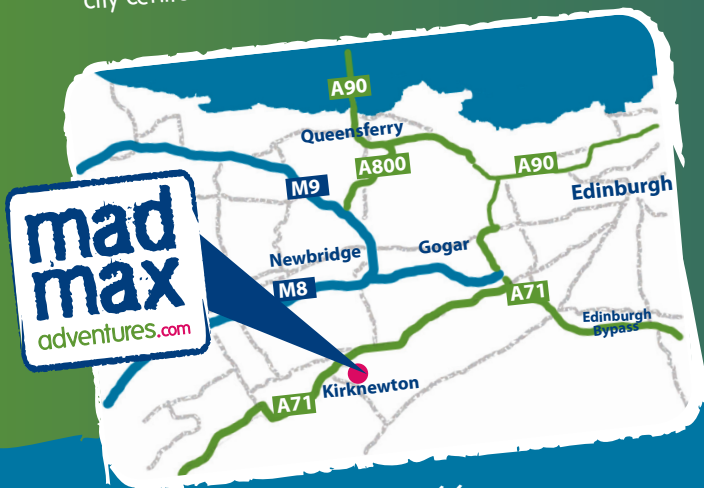

Contact MadMax and check on availability for your chosen activity, date, time and group size. We will send you a booking confirmation and ask for payment in advance. We then send you directions and FAQs.

"Thanks to everyone at Maximillion who helped make our Team Away Day such a great success. The guys were brilliant and we had a great deal of fun! Thanks for an excellent day!"

Lloyds Banking Group

Where is MadMax?

MadMax is based at Kirknewton village on the edge of Edinburgh just ten miles from the city centre. It will take you less than 30 minutes to drive from the city centre and is just 15 minutes from the airport.
