#### AIR RIFLE SHOOTING

Our excellent six lane 30m facility is retrofitted into an former RAF small arms range. Shooting from within the lodge building, this is a safe "all weather" activity that uses the latest in pneumatic air guns utilising pre-compressed air, auto load magazine and telescopic sight. Your "peppered" targets will serve as a fun memento of your marksmanship skills.

#### ARCHERY

Alongside the Air Rifles, the Archery Range is also a six lane facility offering an "all weather" activity with the firing line housed within an open faced cabin. Targets are offered at 10m, 15m and 20m providing incremental progression as you master the highly enjoyable skills of the long bow.

#### OFF-ROAD DRIVING

Your introduction to off-road driving will be run on our specially designed 4x4 track. By the end of the session you will have mastered the fundamentals of off-roading including accents, descents, side slopes and water splashes. Using Land Rover Defenders, this insightful and exhilarating experience will equip you with both a great memory and a lasting skill.

#### CLAY SHOOTING

Our clay shooting school is easily accessed from the hotel and is purpose built for groups or individuals, novice or the experienced wishing to learn or practice. From up to four butts you will be presented with a variety of birds fired from our fully automatic traps. Prepare to be blown away!

# *fun for everyone*

## WATER ZORBING

This is the only water sport where you don't get wet! You will be zipped into a giant inflatable translucent ball and be challenged with walking on water. It's not as easy as it looks but it's great fun and certainly unique.

## HIGHLAND GAMES

Your chance to experience your very own mini highland games, this fantastic experience is presented by our kilted instructor. Your group will be organised into teams and then will take part in a range of indigenous and fun events including; Caber Toss, Haggis Hurl, Put the Stane, Welly Chuck, Farmers' Dash and of course Tug o' War.

## GPS TREASURE HUNTS

Wildgoose Treasure Hunts are fast becoming a popular outdoor activity in the UK. On arrival, you will be issued with a Samsung Galaxy Tab loaded with a unique GPS App. You will explore the vast estate around Turnberry Resort, triggering hot spots and revealing fun challenges. Great as a family activity or for corporate groups playing against each other in teams.

### HORSE RIDING

Fun exercise, fresh Scottish air and wonderful scenery, these are the ingredients that make horse riding here in Ayrshire so enjoyable. Choose from a variety of activities including trekking, hacking and beach riding on the rugged west coast and Turnberry's very own beach allows for invigorating rides and breathtaking views.

### FALCONRY

At Turnberry, experience magnificent birds of prey at close quarters in their natural surroundings. A falconry session is a first class, hands-on and interactive bird of prey demonstration. Various free flying birds can be seen such as a falcon, hawk, owl or a vulture. Our falconers create exhilarating experiences that will allow you to witness the striking beauty and splendid flight of these peerless predators.

### QUAD SAFARI

Each participant will be issued with a Yamaha Grizzly quad with all the required safety gear. After tuition and practice, you will follow the leader on our country wide safari exploring the hills, woods and ponds all of which incorporate purpose built obstacles that add to the challenge and the fun of the activity.

### MINI QUADS

Our 50cc junior quads are suitable for children aged 8-12 and safely run from a dedicated Mini Quad circuit with appropriate instruction and supervision from our qualified instructor. Sessions are progressive and appropriate to the age, with older children displaying aptitude afforded a little more freedom. A must for any family visit!
