

NEW DAWN COFFEESHOP

TASTE OUR BEST

At the New Dawn Coffeeshop, we take pride in all our cooking and use the best produce locally and from across Scotland. We are delighted to have achieved VisitScotland's Taste our Best accreditation in recognition of our sourcing policy and the quality food we provide.

MEAT

Our meat is provided by Greenock's own award winning Scottish craft butcher, Duncan MacKenzie who supplies specially selected Scottish beef and pork for our quality and lean steakburgers and hand cut Lorne sausage. He also supplies the ham stock for use in our home made lentil soup, much loved and frequently commented on by our customers.

CAKES, PANCAKES AND SCONES

Our wide and rich variety of cakes, plus our scones and pancakes are virtually all homemade, using hand-picked and talented local bakers who wherever possible use Scottish ingredients to bring you the best tastes and quality products. We specialise in offering a wide range of cakes to suit all tastes.

FRUIT AND VEGETABLES

Our quality fruit and vegetables are provided freshly every day from the famous Glasgow Fruit Market and picked and delivered to us by MVM Fruit Services from Port Glasgow.

DAIRY PRODUCTS AND EGGS

We use Scottish cheeses wherever possible and our eggs and many of our dairy products are delivered locally to us.
